EXPERIENCE

Robert Half, New Jersey (In-house)

(Freelance Graphic Designer / Web Designer, 2025 – 2026)

Client: **Janome America & Elna** (Sister company)

- Designed branded print and digital educational / instructional pamphlets and flyers, in a fast-paced, high-volume environment.
- Created a new color coded logo and icon for the AOM (Accessory of The Month), allowing for the color to be interchangeable with each month.
- Designed various social media and ad sizes for promoting their new AOM, utilizing the new logo and holiday creative.
- Layed out product pages, using Wordpress and Elementor.

Vonage, Holmdel, NJ (Remote)

(Graphic Designer, 2022 – 2025)

- Maintained brand integrity across the company by refreshing, creating and enforcing the use of brand guidelines and design templates for most marketing collateral, thereby streamlining campaign development, presentation and pitch-deck execution.
- Curated and built photography and illustration libraries with self-serve templates for internal teams' organic and paid social media posts, emails and various blog types, greatly reducing workflows to our small design team.
- Utilized AI generation tools to assist in editing and manipulating photography to build Vonage's new branded photography library.
- Co-branded collateral for Vonage's various partner companies (i.e., case studies, ebooks, datasheets, print and digital banners, whitepaper visuals).
- Designed numerous on-brand, multichannel, print and digital marketing campaigns that included social media, email, blogs, landing pages and assets, infographics, ads and paid ads (many international in various languages, some animated).
- Designed print-ready large graphics and collateral for tradeshow and events (i.e., Dreamforce, Salesforce, Channel Partners and Mobile World Congress).
- Interpreted creative briefs and managed multiple deadlines and priorities, and team and client expectations around goals, in a fast-paced, high-volume environment.
